

Kill Li This "Generation Pain"

Anineties disease, a crisis of meaning,
Absent belief, no rhyme nor any reason
Can't face the facts, a hostile new age,
I hate these words, I cannot turn the page

This is, this is, this is - This is Generation Pain

Concrete dreams, look at the view,
Worshipping liberty, in a human zoo
Dazed and confused, generation X,
What good is freedom if I've no self-respect

This is, this is, this is,
This is Generation Pain - Generation Pain

Injected veins with pure cyanide,
A nineties narcotic, a vile worldwide decline

Nineties disease - Absent Belief -
World I Detest - With No Self Respect
