Cross hairs lie, shooting blind  
Catastrophe, it's a blast for me

Temple wall, house of straw  
Terminal disease, here's my release

Soundtrack for the blind  
Behind all I despise  
Soundtrack for the blind  
The truth and other lies

Eyes that preach self-deceit  
Desensitised, limbs frozen shine

Silent view, salted wound  
Decline and fall, freedom once tall

Soundtrack for the blind  
Behind all I despise  
Soundtrack for the blind  
The truth and other lies
