Introduction

Rex Irae ...

Dream Encounter

King Wrath:

"You ..."

Dream Voice:

"... have joined your father's feast

Those who saw: Essence or fall

Floods of dramatic silence

And words, from whom we don't know"

Overture

King Wrath:

"Let me dream ...

Flee from false ...

I have tasted the weight of lust

My hands on the skein of height"

Dream Voice:

"... A pallid death

Mirage into dark

The horizons echo your glance

Following a detractive sleep"

I am the wrath beneath the heavens

The downfall's monologue

Fallen into the vision of effect

Quiet as gods can be

Orgies of fear

Inbreeding and death

I have walked Carthagia's sands

I've touched those buried walls

I am the ...

All mortal is love?

Remembrance has won

Breathing glorified innocence

Quiescence has died therefore

I am the ...

Remembrance I

King Wrath:

"We stood before the portals of Babylon

And saw it's petrified fall

We tasted the wine of Persepolis,

As mute as our era's breath"

Dream Voice:

"... Have seen your decline's symbols
But carried another life
Death was never a fragment of
Exalting fantasy ..."
Remembrance III

King Wrath:

"This last region - Last of fire
Orgasmic cries - Tears and words
Wrath and strenght - Oh, gods! For you!
Before the throne ... - Death"

Overture: Final

King Wrath:

"Fright and praise
A faded light
Intimate rests my book
Unwritten what seems true
I am the ..."

Dream Voice:

"Art of might!
You remaining king
Take your predesessor's hand
You son of my Jade gift ...
I am the ..."
