Hey, yo, wake up [Come on!]
Let's do it right
We're celebrating under city lights
We're making stories every single night
Can't bring me down, 'cause I'm a mile high

Here we are, on the floor
I'm spinning from the liquor, but I want some more
We won't stop, so go and lock the door
It's time to move this party to your bedroom floor

Your floor, whoa
and now I'm getting tangled
On your bedroom floor
Your floor, whoa
I'm tangled in your body
On the bedroom floor

You're on my left
Let's do it right
We're tangled up and getting down tonight
I'm looking forward to taking it slow all night
She's gonna party 'til the morning light

She's drinking champagne
But mostly just spilling,
Can't let the way that I'm feeling inside hide
We are the party, so, we take it where we go
Kids of the mid-west--we don't need a coast

Here we are, on the floor
I'm spinning from the liquor, but I want some more
We won't stop, so go and lock the door
It's time to move this party to your bedroom floor

Your floor, whoa
and now I'm getting tangled
On your bedroom floor
Your floor, whoa
I'm tangled in your body
On the bedroom floor

Your floor, whoa
and now I'm getting tangled
On your bedroom floor
Your floor, whoa
I'm tangled in your body
On the bedroom floor

Here we are, on the floor
I'm spinning from the liquor, but I want some more
We won't stop, so go and lock the door
It's time to move this party to your bedroom floor

Your floor, whoa
and now I'm getting tangled
On your bedroom floor
Your floor, whoa
I'm tangled in your body
On the bedroom floor
