Oh Jessie I need you
Iâ€™m so sorry for what youâ€™ve been through
I know itâ€™s so hard for you
But you will always prevail

So it seems like weâ€™ve been old and weâ€™ve also been
so young
Iâ€™m so astonished that you have come this far along
But all you need to do is pray
I swear one day
Everything will be ok

But all you have is me and I swear I got your back
And weâ€™ll always be together and weâ€™ll always be on
track
I could swear to god I love you
Your killing me with tears
But youâ€™ll never be the same Jessie
And THATâ€™S soaring dear
Ok

Jessie I wish that
You will still a locket and ill put it in your pocket
Oh Iâ€™m sad today is our last day together
I will have to make the best of it
If I could wish upon a star Iâ€™d do it,
But we blew it and were sad cause were doing it again
A swear to you Iâ€™d go die for you

Take a stab for you
And swing my blades for you

But all you have is me and I swear I got your back
And weâ€™ll always be together and weâ€™ll always be on
track
I could swear to god I love you
Your killing me with tears
But youâ€™ll never be the same Jessie
And THATâ€™S soaring dear
Ok

Ohh Jessie I, I love you

Don't you remember when?
We went to your parents house to discuss with them,
Where we had been that night and they were scared
They started to cry
But we just laughed and we said our last goodbye

But all you have is me and I swear I got your back
And we'll always be together and we'll always be on
track
I could swear to god I love you
Your killing me with tears
But you'll never be the same Jessie
And THAT'S soaring dear
Ok

Jessie where did you go?
