I don't feel anything  
It's somebody else inside of me  
Held up by a string  
Another puppet for my country  
Don't stand in my way  
I'll do what makes me happy  
They love you, and they love me  
They love what makes them money  
Money is just a promise broken

I've been to face it all  
Still it doesn't seem like I belong  
I am alone, immune  
To everything that goes on  
Accept the difference  
Don't bother me I'm minding my own  
Become alone, become immune

I don't see myself  
The same way I used to see  
I remember how it all felt  
I remember how it used to be  
No war... another promise broken

I've been to face it all  
Still it doesn't seem like I belong  
I am alone, immune  
To everything that goes on  
Accept the difference  
Don't bother me I'm minding my own  
Become alone, become

Immune to all I see  
I know I'll never feel like this ever again

I don't feel anything  
It's somebody else inside of me  
Out of sight, and out of mind  
I'm out of my mind, and I don't mind  
Out of my mind, and I don't mind  
I don't mind  
I don't mind

I've been to face it all  
Still it doesn't seem like I belong  
I am alone, immune  
To everything, To everything  
Accept the difference  
Don't bother me I'm minding my own  
Become alone, become  
Immune to all I see  
I know I'll never feel like this  
Like this ever again
