Honey, you run away
Why do you run away?
hmm hide your gun,
hmm who's you mum?
I'm your girlfriend

Honey, you run away
Why do you run away?
hmm hide your gun,
hmm who's you mum?
You may forget - I'm your girlfriend!

Rf:
Don't let me fade away

please call the ambulance
I'm not so wild, oh, baby
please call the ambulance
