I had a girl in Kansas City
I had one girl in Tupelo
She had blonde hair and she was pretty
I shot her in Ohio

I had a girl in San Francisco
I had a bad girl in Mexico
She had black hair and she was a lady
I killed her in Jericho

Rf:
It's love, One love, Deep love, Hangover LOVE

I had girls the world over, baby
They were fine, I loved them all
I had girls the world over, baby
They were fine, I loved them all
I'm standing on the hill of revenge
I'm standing on the hill of pain
But I had GIRLSSS, I had GIRLSSS
I killed them all, adios, goodnight

Rf:
It's love, One love, Deep love, Hangover LOVE

lyrics: Hank J. Manchini
