I walked downtown
He stopped me lalala

I walked downtown
He kissed me oh oh oh

He made me smile
He made me laugh
He made me lalala

I walked downtown
He stopped me lalala

I walked downtown
He kissed me oh oh oh

I walked downtown
I kicked him oh oh oh

I walked downtown

I beat him up yee yee

He made me smile
He made me laugh
He made me lalala

Rf:
Clap your hands
meet your friends!
