I need to find my addiction  
I need a break from restrictions  
Can't tell the fact from the fiction  
Just watch the lack of conviction

Lifestyle the new constitution  
Fashioned the new persecution  
Last place is gone on the lifeboat  
Sold for a drink to a cut-throat

Find myself a brand new place to go  
Define myself some brand new words to know  
Find myself some brand new place to go  
Find myself a brand new place to go

I need to find my addiction  
I need a break from restrictions  
Won't buy the new-age solutions

Dressed up as new revolution

Much like the old school religions  
Re-live the old contradictions  
Last seat reserved for the victor  
Nice view from all of the windows

Find myself a brand new place to go  
Define myself some brand new words to know  
Find myself some brand new place to go  
Find myself a brand new place to go

Find myself a brand new place to go  
Define myself some brand new words to know  
Find myself, design myself, refine, resign, define  
myself  
Find myself a brand new place to go
