See my reflection  
There's nowhere left to go  
I know and you know  
There's nowhere left to go

You need to tell me  
Tell me tonight  
I got it coming  
Out of sight

You need to tell me  
Tell me tonight  
You're gonna sail away

If you love  
Then you sail away

Don't try and love me

Don't try to say goodnight  
I'll always be here  
There's something in the fight

You need to tell me  
Tell me tonight  
You're gonna sleep right through the night  
You need to tell me  
Tell me tonight  
You're gonna sail away

If you love  
Then you'll sail away
