Dance from side to side (dance from side to side).
Move it left to right (move from left to right).
We don't have to go (we don't have to go).
Stay here intertwined.

I feel you head to toe (I feel you head to toe).
I see your eyes aglow (I see your eyes aglow).
We're just kids at play (we're just kids at play).
Locked for eternity.

Waiting all this time...
To find out that there's no light.
No easy way to stay.
It's too hard to leave this way.

I want to get lost with you.
They won't find us there.
We're going to reach the moon.
We'll kick down the way up.

Dance from side to side (dance from side to side).
Move it left to right (move from left to right).
We don't have to go (we don't have to go).
Stay here intertwined.

I feel you head to toe (I feel you head to toe).
I see your eyes aglow (I see your eyes aglow).
We're just kids at play (we're just kids at play).
Locked for eternity.

Waiting this time.
Find out.
