Don't ask me if you don't have the time
I'm not ok so save your time
I don't mean to over react
But now the favor has to be paid back

Don't want to hear no more boring stories
Don't care about your fears and your worries

I don't mean to over react
But now the favor has to be paid back

Don't want to hear no more boring stories
Don't care about your fears and your worries
I don't care if you're down in the dumps

It's really easy, this is my grievance
Friendship's aren't based on convenience
When I need you you're never there
You never really seem to care

Don't call me, I won't call you

See you some other day
With nothing left to say

It's really easy, this is my grievance
Friendship's aren't based on convenience

When I need you you're never there
You never really...
