I really can't stay  
Baby, it's cold outside  
I've got to go away  
Baby, it's cold outside

This evening has been  
Been hoping that you'd drop in  
So very nice  
I'll hold your hands, they're just like ice

My mother will start to worry  
Beautiful words you're humming  
And father will be pacing the floor  
Listen to the fireplace roar

So really I'd better scurry  
Sweetheart, what's your hurry?  
Well, maybe just a half a drink more  
Why don't you put some records on while I pour

The neighbors might think  
But baby, it's bad out there  
Say, what's in this drink?  
No cabs to be had out there

I wish I knew how  
Your eyes are like starlight now  
To break the spell  
I'll take your hat, your hair looks swell

I ought to say no, no, no sir  
Mind if I move a little closer?  
At least I'm gonna say that I tried  
What's the sense in hurting my pride?

I really can't stay  
Baby, don't hold out  
Oh, but it's cold outside

I simply must go  
Baby it's cold outside  
The answer is no

But baby it's cold out there

The welcome has been  
How lucky that you dropped in  
So nice and warm  
Look out the window at that storm

My sister will be suspicious  
Girl, your lips look delicious  
My brother will be there at the door  
Like waves upon a tropical shore

My maiden aunt's mind is vicious  
Oh, baby, you're so delicious  
Well, maybe just a cigarette more  
Never such a blizzard before

I got to get home  
Oh baby, you'll freeze out there  
Say, lend me a coat  
It's up to your knees out there

You've really been grand  
I'm thrilled when you touch my hand  
Why don't you see?  
How can you do this thing to me?

There's bound to be talk tomorrow  
Making my lifelong sorrow  
At least there will be plenty implied  
If you caught pneumonia and died

I really can't stay  
Get over that hold out  
Ah, but it's cold outside  
Baby, it's cold outside

Come on, stay a little longer  
Okay

I really can't stay  
Baby, it's cold outside  
I've got to go away
