Friends forever,  
We're CELTIC THUNDER,  
And together we'll always stay.  
Thru' the darkest hours, the brightest dawn,  
The Thunder, the Thunder  
Will keep rolling on.

Proud to know you,  
We're CELTIC THUNDER,  
And ev'ry friend we've made along the way.  
When other mem'ries are dead and gone,  
The Thunder, the Thunder  
Will keep rolling on.

Ev'ry step we've taken side by side,  
We've been together, as a team  
Ev'ry special moment is a moment shared  
On this journey to our dream.

Looking back at where we started from  
And how we've come so very far  
We vow to be the best that we can be  
And be true to who we are
