Every breath you take
Every move you make
Every bond you break
Every step you take
I'll be watching you

Every single day
Every word you say
Every game you play
Every night you stay
I'll be watching you

Oh, can't you see
You belong to me
And my poor heart aches
Every step you take

Every move you make
Every vibe you break
Every smile you fake
Every claim you stake
I'll be watching you

Since you've gone
I've been lost
Without a trace
Dream at night

I can only see your face
Look around, but
It's you I can't replace
Feel so cold
But, I long
For your embrace
Keep crying, baby, baby

Oh can't you see
You belong to me
And my poor heart aches
Every breath you take

Every move you make

Every vibe you break
Every smile you fake
Every claim you stake
I'll be watching you

I'll be watching you
(Tonight)
I'll be watching you
(Tonight)
I'll be watching you
(Tonight)
I'll be watching you
(Tonight)
I'll be watching you
)Tonight)
I'll be watching you
