Chant:

O-Ro, Ri na bhfarraige,  
Ri na bhfarraige  
Na bhfarraige mhoir Ro! (2)

Chorus

Se mo laoch mo ghile mear,  
Se mo cheasar, gile mear,  
Suan no Sean, Ni bhfuair me fhein  
O chuaidh i gcein mo ghile mear

Hail the hero, strong and true,  
Who fought the fight, and saw it through,  
Who swore he ne'er would be a slave  
And gave his life our land to save.

Chorus

Tho' bruised and bowed and down at heel,  
We made a vow we'd never kneel,  
Before the invader's power and might,  
With the flame of freedom burning bright.

Chorus

From our wild Atlantic shore,  
Above the mighty ocean's roar.  
Let's sing from the highest mountain side  
Of heroes who fill our hearts with pride.
