I have climbed highest mountains
I have run through the fields
Only to be with you
Only to be with you

I have run, I have called
I have scaled these city walls, these city walls
Only to be with you
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I have kissed honey lips
Felt the healing fingertips burn like a fire
This burning desire

I have spoken tongue of angles
I have held the hand of the devil
It's warm in the night, it's warm as a stone

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I believe in the Kingdom Come
Then all the colors will bleed into one
Bleed into one
But yes I'm still running

You broke the bonds
And you loosed the chains
Carried the cross
Of my shame
Oh my shame
You know I believe it

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
