I have climbed highest mountains
I have run through the fields
Only to be with you, only to be with you

I have run, I have crawled
I have scaled these city walls
These city walls only to be with you

But I still haven't found
What I'm looking for
But I still haven't found
What I'm looking for

I have kissed honey lips
Felt the healing fingertips
Burned like a fire, this burning desire

I have spoke with tongue of angels
I have held the hand of a devil
It was warm in the night, I was cold as a stone

But I still haven't found
What I'm looking for
But I still haven't found
What I'm looking for

But I still haven't found
What I'm looking for
But I still haven't found
What I'm looking for

But I still haven't found
What I'm looking for
But I still haven't found
What I'm looking for

I have climbed highest mountains
I have run through the fields
Only to be with you, only to be with you

But I still haven't found
What I'm looking for

But I still haven't found
What I'm looking for

But I still haven't found
What I'm looking for
