You're strutting through the town like you're slinging a
gun

Just a small-town dude with a big city attitude
Honey are you looking for some trouble tonight?
Well, alright

You think you're so bad drive the women folk wild
Shoot 'em all down with a flash of your pearly smile
Honey, but you met your match tonight
Oh, that's right

You think you'll knock me off my feet 'til I'm flat on the
floor
'Til my heart is crying Indian and I'm begging for more
So come on baby
Come on baby
Come on baby show me what that loaded gun is for

If you can give it
I can take it
Cause if this heart is gonna break, its gonna take a lot
to break it
I know tonight somebody is gonna win the fight

So if you're so tough
Come on and prove it
Your heart is down for the count and you know you're
gonna lose it
Tonight you're gonna go down in flames

Just like Jesse James

You break the laws of love in the name of desire
Take ten steps back
Cause I'm ready baby
Aim and fire
Baby, there's nowhere you're gonna run tonight
Oh, that's right

Well, you've had your way with love, but its the end of
the day
Now a team of wild horses couldn't drag your heart

away

So come on baby
Come on baby
Come on baby
Come on

If you can give it
I can take it
Cause if this heart is gonna break, its gonna take a lot
to break it
I know tonight somebody is gonna win the fight

So if you're so tough
Come on and prove it
Your heart is down for the count and you know you're
gonna lose it
Tonight you're gonna go down in flames
Just like Jesse James
Tonight you're gonna go down in flames
Just like Jesse James
