### "Remember Me (Recuerdame)"

The moonlight dances among the trees  
The campfire glows in the autumn breeze  
and I am lost in my thoughts of you  
Remember me, recuerda me

A comrade strums on a sad guitar  
My mind is drifting to where you are  
I'm holding you as I used to do  
remember me, recuerda me, mi amor!

So long ago, so far away, each night I pray  
"volvero los dias passoados"  
I promise you that come what may  
those days will stay ever in my memory

In all this world I could never find,  
the love that I had to leave behind  
But duty calls, so whate'er befalls  
remember me, recuerda me, mi amor

God only knows what tomorrow brings  
You're in my heart so my spirit sings  
and I'll be strong just as long as you remember me,  
recuerda me, mi amor!
