Ride on by Jimmy Mc Carthy / Universal

Sure you ride the finest horse I've ever seen

Standing 16' one or two, with eyes wild and green

You ride the horse so well, hands light to the touch

I could never go with you no matter how I wanted to

Ride on, see you,

I could never go with you no matter how I wanted to

Ride on, see you, I could never go with you no matter  
how I wanted to

When you ride into the night, without a trace behind

Run you claw along my gut, one last time

I turn to face an empty space, where you used to lie

I look for the spark that lights the night

Through a teardrop in your eye

Ride on, see you, I could never go with you no matter  
how I wanted to

Ride on, see you, I could never go with you no matter  
how I wanted to

Ride on, see you, I could never go with you no matter  
how I wanted to

Ride on, see you, I could never go with you no matter  
how I wanted to

I could never go with you no matter how I wanted to

I could never go with you no matter how I wanted to
