Don't mind the snow that's falling  
The carol singers calling  
I'm just happy  
To be spending our first Christmas  
Together

And I'll be more than jolly  
With the mistletoe and holly  
Tonight as we are counting down to Christmas  
Together  
Just you and me

With those jingle bells ringing  
As I'm holding you near  
I'll be making a toast  
May tonight be the most  
Unforgettable night of the year

The sound of  
Jingle bells and laughter  
Will remind us ever after  
Of how we spent that magical first Christmas  
Together  
Just you and me

Just you and me

With those jingle bells ringing  
As I'm holding you near  
I'll be making a toast  
May tonight be the most  
Unforgettable night of the year  
The year

Cuddled up and cozy  
The future's looking rosy  
And I can see us spending every Christmas  
Together  
Just you and me  
Just you and me  
Just you and me

Just you and me
