I have climbed, highest mountains
I have run, through the fields
Only to be with you
Only to be with you

I have run
I have crawled
I have scaled these city walls
These city walls
Only to be with you

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I have kissed, honey lips
Felt the healing, finger tips
Burn like a fire
This burning desire

I have spoke with tongue of angels
I have held the hand of devils
Warm in the night
I was cold as a stone

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I have climbed highest mountains
I have run through the fields
Only to be with you
Only to be with you

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
