(Ryan)

I sit here thinking  
As the sun is sinking  
Over the mountain  
And the dry, dusty ground

(Damian)

As the night is falling  
I start recalling  
The nights  
In my own town

(Keith)

I see the faces  
In familiar places  
I hear the music  
That they played way back then

(Paul)

My heart rejoices  
As I hear the voices  
Calling me  
Home again

(Chorus--All)

Home  
Oh take me home  
Home to the people  
I left behind  
Home to the love  
I know I'll find  
Ooh take me home

(George)

As the sky is burning  
My mind is turning  
To the cold winter evenings  
By my own fire side

(All)

So far away now  
But any day now  
I'll sail

On the morning tide

(Chorus--All)

Home

Oh take me home

Home to the people

I left behind

Home to the love

I know I'll find

Oooh take me home

(Keith)

Take me home

Far across the sea

(All)

Home is where I long to be

(Chorus--All--x2)

Home

(Da da da da)

Oh take me home

(Da da da da)

Home to the people

(Da da da da da)

I left behind

(Da da da)

Home to the love

(Da da da da)

I know I'll find

(Da da da da)

Oooh take me home
