When you wish upon a star  
Makes no difference who you are  
Anything your heart desires  
Will come to you

If your heart is in your dream  
No request is too extreme  
When you wish upon a star  
As dreamers do

Fate is kind  
She brings to those who love  
The sweet fulfillment of  
Your secret longing

Like a bolt out of the blue

Fate steps in and sees you through

When you wish upon a star  
Your dreams come true

Fate is kind  
She brings to those who love  
The sweet fulfillment of  
Your secret longing

When you wish upon a star  
Makes no difference who you are  
Anything your heart desires  
Will come to you

May all your dreams come true
