[Killah Priest] I rise up in the mornin' like a dragon rise up from the forest Yawnin', fire breath, I flex to stretch my biceps The dragon stretch his wings, his press plate gleams From the sunlight it seems and flies up towards the sun I walk toward my window like my time has come The dragon turns towards the Earth I turn towards my verse I've been writin', a teaspoon of lightning Turns the meek Priest into a lion Touch heart like the swordsman cryin' The dragon flies toward the wizard I pull out my sword of lyrics It's like sendin' evil lord of spirits Absorbin', feel it, the claws grab the wizard's neck I scribble in my tek's Priesthood the frozen lord delivers the death (Hook) 3x In my Sanskrit This my manuscript Killer rhymes are hand written Then placed on canvas [Killah Priest] Tonight I sleep like a lion From a war I was tryin' Pleasant dream of my enemies dyin' A couple of cuts across my chest and guts But so what? Under my finger tips Smear'd blood and traces of hair And chip bone and the ashes of the faith I seared My dear, my sword breathin' heavy Tryna catch its breath, tryna digest The residue, them dead flesh left Under my boots is rocks and mud blood from troops And left is small groups My snore sound like men at war I lay like a king on a wall My heart pumps royal blood thru my veins The type of blood belong to kings No disturbance, I sleep beneath the Virgin The Witch Lord's workin', all of y'all my servants My rhymes have hair, a full body is hard to compare Entrance of the Viking come near She eats ya young, y'all wives are hung She's at the top, she sits on my tongue (Hook) 3x [Killah Priest] This is my redemption And the angel sung This is my redemption Hallelujah Look into my future King robes, rose pedal's - throne And all the world's my name's known And I help create the new non-Heavens This is my blessing, my mind's the weapon So come battle, done by a hassle The Pharaoh, I wear a hat wit the glow attached Around the universal bowl And this is my redemption And the angel sung This is my redemption And the angel sung This is my redemption And the angel sung (Hook) 3x
