Got a certain little girl she's on my mind
No doubt about it she looks so fine
She's the best girl that I ever had
Sometimes she's gonna make me feel so bad

Hush, hush
Thought I heard her calling my name now
Hush, hush
She broke my heart, but I love her just the same now
Hush, hush
Thought I heard her calling my name now
Hush, hush
I need your love, and I'm not to blame now

Love, love
Got it early in the morning
Love, love
Got it late in the evening
Love, love
Well, I want it and I need it
Love, love
Oh, I gotta, gotta have it
She's got a love like quicksand
Only took one touch of her hand
Blow my mind and I'm in so deep
That I can't eat y'all and I can't sleep

Hush, hush
Thought I heard her calling my name now
Hush, hush
She broke my heart, but I love her just the same now
Hush, hush
Thought I heard her calling my name now
Hush, hush
I need your love, and I'm not to blame now

Love, love
Got it early in the morning
Love, love
Got it late in the evening
Love, love
Well, I want it and I need it

Love, love
Oh, I gotta, gotta have it
