I wonder if my life  
Could be so empty  
I wonder if you exist  
And a shiver burns my soul

I prayed so many nights  
To fight my reason  
But everything's in vane,  
Inside me still lies the question

Tormentor  
Conflict within

Redemption  
Now seems a lie

No way to  
Hide from disgrace

I'm waiting  
To face the truth

Holy Bible's been my guide,  
Sacrifice my way of life

Selfishness is the only way  
To end this dark crisis of faith

No way to justify  
What I am going to do

If you exist, punishment  
Is what this poor soul deserves

Suicide becomes the way  
To unveil the secret  
If my god really exists  
For this sin I'll burn in hell

A holy minister  
Twisted by stigmas  
Ashamed of my heresy,

As a sinner I'll end my priesthood

Tormentor  
Conflict within

Redemption  
Now seems a lie

No way to  
Hide from disgrace

I'm waiting  
To face the truth

The end is coming  
I can't stand this suffering

Now I will be freed from a life of pain and agony

I'll take this weapon,  
With a shot I'll end the doubt

It's worth losing my life to know the truth... Forgive me  
lord
