Sorry, but lying and posting up in subliminal text will never get Passed,
We clearly can see your more ass than 100 pages of the Playboy Mag.
But that's irrelevant, I could just post a few bars that question Intelligence,
'cause your mind is absent of good flow like Black children and Negligence,
And this is the Contestant, A Newbie, Gran Thef trying get a Reference,
You in the Mix with Killer but this shit don't help fags with a Sexual preference,
This is only development, shedding the extra weight like dietary supplements,
Like when Killer and Hitler murdered Mil.s when we controlled the Nazis Government,
Gran Thef, no petty thef, your inferior, could not steal a caravan with that Criteria,
You could hold hostage a Morgue and fail at capturing cases of Malaria,
I see a pussy, Damn tasty and eatable, no lie I enjoy the Aroma,
Nobody matched my persona, I got crazy prices, get you half off a rental Coma...
Or the specialty for Gran Thef, a Flight Jacket with a reversal zip up Body Bag...
A John Doe tag, and a mummified pipe broken off in his Ass,

If it happens that me Killer "happens" to win this battle, prepare for Violence,
'cause the whole forum will join forces against me "Killer vs the Gay Alliance",
Gran thef is all glory, with his fabricated stories, I depicted he's not Villain,
Go head a lose your mind, you ain't crazy just a little hazy from popping P enicillin,
Fuck you and your momz, but mostly your moms and her salivary Glands,
I swear she could suck my ribs in deeper than Hostages of murderous Afghans,
I have a poisonus flow, part Phython, have you tembling

sweating in your Nylon,
Your a Superbitch, just one touch of the Kryton, will
have this Kid Bloodier than a Tampon.
