Liar, liar, liar, liar  
Liar, liar, liar, liar  
Its easy for you to say  
I shouldn't take it the wrong way  
So don't spoil a perfectly good story  
By telling it aint true  
And I believe everything you say,  
Cause you're a liar, liar, liar, baby  
And everything else is all the same,  
Cause you're a liar, liar, liar, baby  
And all the same if I go your way  
Cause you're a liar, liar, liar, baby  
And I believe everything,  
Cause you're a liar  
Liar  
Liar, liar, liar, liar  
Wont you give me what i need,  
This sweet deceit is mine to keep,  
So don't spoil a perfectly good story  
By telling it aint true  
And I believe everything you say,  
Cause you're a liar, liar, liar, baby  
And everything else is all the same,  
Cause you're a liar, liar, liar, baby  
And all the same if I go your way  
Cause your'e a liar, liar, liar, baby  
And I believe everything,  
Cause you're a liar  
I choose to believe those pretty lies  
And I wont blame you for making me feel good for a  
while  
I know it wont last baby,  
Its like almost you got me  
Liar, liar, liar, liar  
And I believe everything you say,  
Cause you're a liar, liar, liar, baby  
And everything else is all the same,  
Cause you're a liar, liar, liar, baby  
And all the same if I go your way  
Cause you're a liar, liar, liar, baby  
And I believe everything,  
Cause you're a liar
