"Fly To Your Heart"

Watch all the flowers
Dance with the wind
Listen to snowflakes
Whisper your name

Feel all the wonder
Lifting your dreams
You can fly

Fly to who you are
Climb upon your star
You believe you'll find your wings
Fly to your heart

Touch every rainbow
Painting the sky
Look at the magic
Glide through your life

A sprinkle of pixie dust
Circles the night
You can fly

Fly to who you are
Climb upon your star
You believe you'll find your wings
Fly
Everywhere you go
Your soul will find a home
You'll be free
To spread your wings
Fly
You can fly
To your heart

Fly to the heights of all you can be
Soar on the hope of marvelous things

Fly to who you are
Climb upon your star
You believe you'll find your wings
Fly

Everywhere you go
Your soul will find a home
You'll be free
To spread your wings
Fly
You can fly
To your heart
