O holy night, the stars are brightly shining  
It is the night of our dear Savior's birth  
Long lay the world in sin and error pining  
Till He appeared and the soul felt its worth

A thrill of hope, the weary world rejoices  
For yonder breaks a new and glorious morn  
Fall on your knees, oh, hear the angel voices  
O night divine, O night when Christ was born

O night divine, O night  
O night divine

Chains shall He break, for the slave is our brother  
And in His name all oppression shall cease  
Sweet hymns of joy in grateful chorus raise we  
Let all within us praise His holy name

Christ is the Lord, that ever, ever praise we

O night, O night  
O night, O night divine

O night, O night  
O night, O night divine

O night, O night, O  
O night, O night divine
