English Translation

Chorus:

She's your granny, she's your granny  
She's your granny, the hag with the money

She's your granny from the town of Iorrais MÃfÃfÃ,Ã³r  
And she would put coaches on the roads of Cois  
Farraige

If you'd see the steam boat going past TÃfÃfÃ,Ã³in  
UÃfÃfÃ,Ã Loing'  
And the wheels turning speedily at her flanks  
She'd scatter the store nine times to the rear  
But she never keeps pace with the hag with the money  
(chorus)

Do you reckon he'd marry, do you reckon he'd marry  
Do you reckon he'd marry the hag with the money?  
I know he'll not marry, I know he'll not marry  
Because he's too young and he'll drink the money  
(chorus)

We'll soon have a wedding, we'll soon have a wedding  
We'll soon have a wedding by two in the village  
We'll soon have a wedding, we'll soon have a wedding  
Between SÃfÃfÃ,Ã©an SÃfÃfÃ,Ã©amais MÃfÃfÃ,Ã³r  
and MÃfÃfÃ,Ãiire NÃfÃfÃ,Ã Chathasaigh  
(Repeat)

(Chorus twice)
