"The Call"

Sometimes in this life we hear
Calling from somewhere
Sometimes it is loud and clear
Sometimes it's so softly there

Sometimes it is in the sea
Sometimes in the sky
Sometimes it's in you and me
And sometimes it's a cry

Open your heart
I am calling you
Right from the very start
Your wounded heart was calling, too

Open your arms
You will find the answer
When you answer to the Call

Sometimes it is in desire
Or in the love we fear
When the call keeps calling us
'Till the fear will disappear

When we have no dance to dance

The call is in the song
When we have no voice to sing

Then the call is calling strong

Open your heart
I am calling you
Right from the very start
Your wounded heart was calling, too

Open your arms
You will find the answer
When you answer to the Call

Open your heart
I am calling you

Right from the very start
Your wounded heart was calling, too

Open your arms
You will find the answer
When you answer to the Call

Open your heart, your heart
And you will find the answer
To the Call!
