I see your true colours
shining through
I see your true colours
that's why I love you
So don't be afraid to let them show
your true colours, true colours
shining through...

You with the sad eyes
Don't be discouraged
oh I realize
It's hard to take courage
in a world full of people
you can lose sight of it all
and the darkness inside you
makes you feel so small

But I see your true colours
shining through
I see your true colours
and that's why I love you
So don't be afraid to let them show
your true colours, true colours

are beautiful... like a rainbow

So sad eyes
take courage now and realize
when this world makes you crazy
and you've taken all you can bear
just call me up
because you know I'll be there

And I see your true colours
shining through
I see your colours
and that's why I love you
So don't be afraid to let them show
your true colours, true colours
are beautiful...oh like a rainbow

You're beautiful, you're beautiful

your true colours are beautiful,
like a rainbow
