S.O.S. from here in the lost and found  
Slip through the cracks  
Disappear there without a sound  
Alien in your own home town  
Hard to laugh when you feel  
That you're just a clown

Tough times  
In a hard luck town  
You're dreamin'  
And you can't get away  
Tough times  
It'll hold you down  
Keep you spinning  
'Til your dying day

Hey man haven't seen you for awhile  
Hey kid I remember when you were wild  
Most people live and die on the same old ground  
Not you took the first rail out of town

Tough times  
In a hard luck town  
You're dreamin'  
And you can't get away  
Tough times  
It'll hold you down  
Keep you spinning  
'Til your dying day

Tough times  
In a hard luck town  
No rhymes  
It'll hold you down  
Keep you spinning  
'Til your dying day

Hey dunk I haven't seen you here for a while  
Hey kid I remember when you were wild  
So damn wild

Tough times  
In a hard luck town  
You're dreamin'  
And you can't get away  
Tough times  
It'll hold you down  
Keep you spinning  
'Til your dying day

Tough times  
In a hard luck town  
You're dreamin'  
And you can't get away  
No rhymes  
It'll hold you down  
Keep you spinning  
'Til your dying day  
Tough times  
In a hard luck town  
No rhymes  
It'll hold you down  
Keep you spinning  
'Til your dying day
