You could never tell me, anything at all
I thought I had the answers til' I took a fall
Crawling down on my knees with the only thing I had
I grew hard, I grew mean, mostly I got mad

I have to know
What this attraction's all about
I hear you callin'
But still have my doubts

Tell me please
Is there any left for me
Do you want me on my knees
It's so plain for me to see

Restlessness on my mind
Is it here to stay
After so many times
Could go either way

I have to know
What this attraction's all about
I hear you callin'
But still have my doubts

Tell me please
Is there any left for me
Do you want me on my knees
It's so plain for me to see

(Solo)

I have to know
What this attraction's all about
I hear you callin'
But still have my doubts

Tell me please
Is there any left for me
Do you want me on my knees
It's so plain for me to see

Tell me please
Is there any left for me
Do you want me on my knees
It's so plain for me to see

Tell me please
Is there any left for me
Do you want me on my knees
It's so plain for me to see
Tell me please
