why do we.....

do we do we do we?

y do we.....

do we do we do we?

I don't fucking know do u?

why attempt a loss of valuable energy?

when u could lay back and do some thing everyone
xeroxes!

why?
why?
When
when
where
how

Something....

Everybody....

Xeroxes....

hit it!

now!!!!

all day all night all day all night!

woo hoo....

whisper it all!

tell us your mind

deterriate us all

we're already almost there

just stop

and wonder

wonder,wonder,wonder

why we do this!
