Shakedown 1979, cool kids never had the time  
On a live wire right up off the street  
You and I should meet  
Junebug skipping like a stone  
With head lights pointed at the dawn  
We were sure we'd never see an end to it all

And I don't even care to shake these zipper blues  
And we don't know  
Just where our bones will rest  
To dust I guess

Forgotten and absorbed into the earth below  
Double cross the vacant and the bored  
They're not sure just what we have in store  
Morphine city slippin dues down to see

That we don't even care as restless as we are  
We feel the pull in the land of a thousand guilts  
And poured cement, lamented and assured  
To the lights and towns below  
Faster than the speed of sound  
Faster than we thought we'd go, beneath the sound of  
hope

Justine never knew the rules  
Hung down with the freaks and the ghouls  
No apologies ever need be made, I know you better  
than you fake it

To see that we don't care to shake these zipper blues  
And we don't know just where our bones will rest  
To dust I guess

Forgotten and absorbed into the earth below  
The street heats the urgency of sound  
As you can see there's no one around
