There's no inspiration just a pale transform in the eyes
..my worst enemy is hiding at my door
And where did your wings go?
Same place as mine
Well, I can't catch her 'cause they're biting at her
ankles and our wings are gone forever have you got
20c to buy some more?

'Cause I couldn't see I could fall
I couldn't see I could fall
I couldn't see I that I could fall
I couldn't see

By the time you read this I'll be fast asleep and waking
all the faces growing in me,
Haven't been felling human for a while now little teeth
getting thinner and thinner every day
Well everything around me gets bigger and bigger
elevating me it's gone too fast but I fed it 20c it was my
call.

'Cause I couldn't see I could fall
I couldn't see I could fall
I couldn't see that I could fall
I couldn't see
My fall, my fall
I couldn't see, my fall
I couldn't see, my fall

Is this really what you want is this what you planned
Take a look inside your head and open up your hands
Did you know it would turn out this bad if you did it this
way?

'Cause I couldn't see I could fall
I couldn't see I could fall
I couldn't see that I could fall
I couldn't see..
I couldn't see that I could fall
I could see that I could fall
I wouldn't know you'd go, you'd go
