"Are We Human"

I did my best to notice, when the call came down the
line
Up to the platform of surrender, I was brought but I was
kind
And sometimes I get nervous when I see an open door
Close your eyes, clear your heart... and cut the cord

Are we human, or are we dancer
My sign is vital, my hands are cold
And I'm on my knees looking for the answer
Are we human, or are we dancer

Pay my respects to grace and virtue, send my
condolences to good
Give my regards to soul and romance, they always did
the best they could
And so long to devotion you taught me everything I
know
Wave good bye, wish me well, you gotta let me go

Are we human, or are we dancer
My sign is vital, my hands are cold
And I'm on my knees looking for the answer
Are we human, or are we dancer

Will your system be alright?
When you dream of home tonight
There is no message we're receiving
Let me know, is your heart still beating?

Are we human, or are we dancer
My sign is vital, my hands are cold
And I'm on my knees looking for the answer...
You've gotta let me know

Are we human, or are we dancer
My sign is vital my hands are cold
And I'm on my knees looking for the answer
Are we human... or are we dancer

Are we human, or are we dancer
Are we human, or are we dancer
