"Change Your Mind"

Racey days
Help me through the hopeless haze
But my oh my
Tragic eyes
I can't even recognize myself behind
So if the answer is no
Can I change your mind

Out again, a siren screams at half past ten
And you won't let go
While I ignore, that we both felt like this
Before it starts to show
So if I have a chance

Would you let me know

Why aren't you shaking
Step back in time
Graciously taken
Oh you're too kind

And if the answer is no
Can I change your mind

We're all the same
And love is blind
The sun is gone
Before it shines

And I said if the answer is no
Can I change your mind
