I pack my case, I check my face
I look a little bit older
I look a little bit colder
With one deep breath, and one big step
I move a little bit closer, I move a little bit closer
For reasons unknown..

I caught my stride, I flew and flied
I know if destiny's kind, I've got the rest on my mind
Well my heart, it don't beat, it don't beat the way it
used to
And my eyes, they don't see you no more
And my lips, they don't kiss, they don't kiss the way
they used to
And my eyes don't recognize you no more

For reasons unknown
For reasons unknown

It was an open chair
We sat down in, the open chair
I said if destiny's kind, I've got the rest on my mind
But my heart, it don't beat, it don't beat the way it used
to
And my eyes, they don't see you no more
And my lips, they don't kiss, they don't kiss the way
they used to
And my eyes don't recognize you at all

I said my heart, it don't beat, it don't beat the way it
used to
And my eyes, don't recognize you no more
And my lips, they don't kiss, they don't kiss the way

And my eyes don't recognize you no more
