Glamorous indie rock and roll,  
Is what I want.  
It's in my soul,  
It's what I need.  
Indie rock and roll, it's time.  
Two of us,  
Flippin' through a thrift store magazine  
She's plays the drums, I'm on tambourine.  
Bet ya, ya bottom dollar I'm mean.

It's indie rock and roll for me.  
It's indie rock and roll for me.  
It's all I need.  
It's indie rock and roll for me.

In the clutch  
Of talkin' every word for all the boys,  
Electric girls with worn down toys.  
Makin' up breakin' up.  
What do you care?  
Oh what do you care?

I take my twist with a shout,  
A coffee shop with a cause  
Man I'll freak you out.  
No sex, no drugs, no luck, no love  
When it comes to today.

Stay, if you wanna love me stay.  
Oh don't be shy,  
Lets cause a scene.  
Like lovers do  
On silver screens  
Lets make it yeah, we'll cause a scene.

It's indie rock and roll for me.  
It's indie rock and roll for me.  
It's all I need.  
It's indie rock and roll for me.

(In the clutch  
Of talking every word for all the boys)

It's indie rock and roll for me  
It's all I need.  
(Oooooooooo)  
Makin' up breakin' up  
What do you care?  
It's indie rock and roll for me  
(Oooo, two of us  
Flippin through a thrift store magazine)  
It's indie rock and roll for me.  
It's all I need.  
(Oooooooooooooooooo)  
Makin' up breakin' up  
What do you care?  
It's indie rock and roll for me.
