Chorus:

Go all the way  
It feels so right (feels so right)  
Being with you here tonight  
Please go all the way  
Just hold me close ( hold me close)  
Don't ever let me go

I couldn't say what I wanted to say  
Till she whispered I love you

Chorus:

So please, go all the way  
It feels so right (feels so right)  
Being with you here tonight  
Please go all the way  
Just hold me close ( hold me close)  
Don't ever let me go

Before her love, I was cruel and mean  
I had a hole in the place  
Where my heart should have been  
But now I've changed,  
And it feels so strange  
I come alive when she does,  
All those things to me...  
And she says

(Come on) come on,  
(Come on) come on  
(Come on) come on  
(Come on) come on

I need you (come on)  
I love you (come on)  
I need you (come on)

Chorus:

Please go all the way  
It feels so right (feels so right)  
Being with you here tonight

Please go all the way  
Just hold me close ( hold me close)  
Don't ever let me go
