(Verse 1)

I know, I know, I know, I know What you'd say (ye)
I know, I know, I know, I know all the games you play
I am, I am, I am, I am not afraid be cause
I know, I know, I know, I know what to say

(Pre chorus)

I feel it, its coming
Its here if, you want it

(Chorus)

I am, out on my own
Moving in shadows
Nobody knows who I am
Standing alone
And its me, that you cant see
ah yeahh

(V2)

Id like to get out of your skin
Its just surrounding
Put you back in and
I know, I know, I know, I know what to say (ye)
But it couldnt be any other way

Cause i feel it, its coming
Its here if, you want it

(Chorus)

I am, out on my own
Moving in shadows
Nobody knows who I am
Standing alone
And it's me, that you cant see
Ah yeahh

So close but you don't know
and its me that you cant see (x 6)

(Pre chorus)

I feel it, its coming

It's here if, you want it

(Chorus)

I am, out on my own
moving in shadows
Nobody knows who I am
Standing alone
And its me, that you can't see
Ah yeahh

So close but you don't know
And its me but your never guna see who I am
So close but you don't know
And its me but you just can't see who I am
