Blonde hair blowing in the summer windâ€”
A blue eyed girl playing in the sandâ€”
I've been on a trail for a little whileâ€”
But that was the night that she broke down and held my
handâ€”
Teenage rush, she said, ain't we all just runawaysâ€”
We got timeâ€”
But that ain't much
â€”â€”
We can't wait till tomorrowâ€”
You gotta know that this is real babyâ€”
Why you wanna fight it
â€”It's the one thing you can choose
Oh!

â€”â€”We got engaged on a friday night
â€”I swore on the head of our unborn childâ€”
That I could take care of the three of us
â€”But I have the tendency to slip when the night's still
wild
â€”It's in my bloodâ€”
She said she might just runaway somewhere else
â€”Someplace goodâ€”â€”

We can't wait till tomorrowâ€”
You gotta know that this is real babyâ€”
Why you wanna fight itâ€”
It's the one thing you can choose
â€”â€”
Let's take a chance baby we can't loseâ€”
Ain't we all just runaways
â€”I knew it when I met you
â€”I'm not gonna let youâ€”
Runawayâ€”
I knew it when I had youâ€”I wasn't letting goâ€”â€”

We used to look at the stars and confess our
dreamsâ€”
Hold each other till the morning light
â€”We used to laugh now we only fight
â€”Baby are you lonesome nowâ€”â€”

And then I come after they go to sleep
Like a stumbling ghost, I'll haunt this halls
There's a picture of us on our wedding day
I recognize the girl but I can't settle in this walls

We can't wait till tomorrow
Now we're caught up in the appeal baby why you
wanna hide it
It's the last day on my mind
I turn the engine over and my body just comes alive
Ain't we all just runaways
I knew it when I met you
I'm not gonna let you
I knew it when I had you
I wasn't letting go
