I came when you called it.  
Oh I ran to every corner,  
Looked hard just to find you.  
Oh do I need to remind you?  
But you always let me down,  
All you did was mess around.

I won't be that girl you're kissing,  
I will be the one you're missing; so long.  
So long.  
I won't be the one to listen,  
Waiting there for your permission,  
It's all gone.  
Yeah baby it's all gone,  
So long.

I was there when you needed me.  
I was anything you wanted me to be.  
Oh baby, don't you know?  
That's the way it had to go.  
An' it really is a shame,  
Now that I've forgotten your name.

I won't be that girl you're kissing,  
I will be the one you're missing; so long.  
So long.  
I won't be the one to listen,  
Waiting there for your permission, it's all gone.  
So long.

I'm tryin' to get my head around,  
I'm tryin' to get up off the ground,  
And I'm tryin' to get my head around you.

I'm tryin' to get my head around,  
I'm tryin' to get up off the ground,  
And I'm tryin' to get my head around you.

I won't be that girl you're kissing,  
I will be the one you're missing; so long.  
So long.

No, I won't be the one to listen,  
Waiting there for your permission, it's all gone, it's all  
gone.

I won't be that girl you're kissing,  
I will be the one you're missing; so long.  
So long.  
Watch me as I'm walking from this,  
I am so glad that we parted; so long.  
Oh oh oh oh oh.
