Breaking my back just to know your name

Seventeen tracks and I've had it with this game

I'm breaking my back just to know your name

But heaven ain't close in a place like this

Anything goes but don't blink you might miss

Cause heaven ain't close in a place like this

I said heaven ain't close in a place like this

Bring it back down, bring it back down tonight

Never thought I'd let a rumour ruin my moonlight

Well somebody told me

You had a boyfriend

Who looks like a girlfriend

That I had in February of last year

It's not confidential

I've got potential

Ready? Let's roll onto something new

Taking its toll and I'm leaving without you

Ready? Let's roll onto something new

But heaven ain't close in a place like this

Anything goes but don't blink you might miss

Cause heaven ain't close in a place like this

I said heaven ain't close in a place like this

Bring it back down, bring it back down tonight

Never thought I'd let a rumour ruin my moonlight

Well somebody told me

You had a boyfriend

Who looks like a girlfriend

That I had in February of last year

It's not confidential

I've got potential

A rushin', a rushin' around

Pace yourself from me

I said maybe baby please

But I just don't know now

Somebody told me

You had a boyfriend

Who looks like a girlfriend

That I had in February of last year

It's not confidential

I've got potential

A rushin', a rushin' around
